

Tipsy Nipper G-BRIK is for sale.

Possibly the nicest VW powered Nipper in the UK.

Always hangared and maintained regardless of expense.

Rebuilt from bare metal/wood by current owner in 2005/6 to an extremely high standard. Wing recently recovered. Full inverted fuel and oil. Leburg ignition. Fitted alternator. Log-books from new and comprehensive service history. All in truly excellent condition. Just get in and fly.

Total time 600 hours. Engine 120 hours since zero-time overhaul. Maintained by owner under the watchful eye of a top-class LAA inspector. New permit scheduled November 2011.

Panel mount Filser radio. Includes original Nipper manuals and drawings. Panel-powered ANR headset, spare propeller, Garmin GPS96C and assorted spares available as extras.

Viewing South Hampshire. Asking £14,000.
Keen to sell so reasonable offers considered.
